Generated Ad-hoc reports for coaches/teams upon request.

Working on generating National AAA/AAAA times for Age Group Chair Sean Kakumu.

2019 SWM GUIDE

Completed 2019 Swim Guide and sent to Kim/Mike/Stacy for review on December 26. Had to revise as SCS had planned November and December 2019 calendars based on an incorrect Free Weekend/Thanksgiving date. Swim Guide published to website on 1/11/2019, and sent to SCS to be forwarded to the printer.

ISSUES

2019 Swim Guide: SCS did not provide all information/edited sections/front cover artwork until 12/20. First revision of Swim Guide sent to SCS on 12/26. Subsequently SCS discovered it had put November Free Weekend and December meets on the wrong weekend of the calendar based on an incorrect Thanksgiving date. More than a dozen meets had to be rescheduled (one is still pending). Pre-publication Swim Guide was revised several times as clubs rescheduled meets with the final version (one meet unresolved) on 1/11/2019.

Office registration issues are still affecting Times work (late registrations, incorrect gender, swimmer merges, backdating of swimmer registrations, etc.) I do registration lookups for admins when they are unable to contact the office or from deck, including nights/weekends.
