OVERVIEW

PURPOSE

The Safe Sport Recognized Club Program allows a member club to demonstrate its commitment to creating an abuse-free, safe, healthy, and positive environment for all of its members through the development and implementation of Minor Athlete Abuse Prevention and Anti-Bullying policies, Safe Sport Best Practices, and Athlete Protection Training.

WHAT'S INVOLVED

- Policies, procedures, and best practices: clubs will develop and/or share their Athlete Protection Policies and the other measures to safeguard athletes.
- Personnel: a big part of successfully implementing Safe Sport is getting the right people involved. Clubs will demonstrate the screening and selection procedures for staff and volunteers.
- Training and Education: clubs will be awarded points when minor athletes and parents complete the Safe Sport online courses, as well as hosting in-person Safe Sport-related training.
- Reporting: clubs will detail communication to members about how to report misconduct to USA Swimming Safe Sport and the U.S. Center for SafeSport.

WHERE TO APPLY

Clubs apply for Safe Sport Recognition through the team's Club Portal, which requires team administrator login credentials. The team administrator or head coach has this login information. The Safe Sport Recognition Program application is located on the "HOME" tab of the Club Portal. The application can be done by the team administrator or head coach, or the administrator or coach may share the team's Club Portal login credentials with the club's Safe Sport Chair and he/she may complete the steps and apply on behalf of the team.

WHAT IS REQUIRED BEFORE THE APPLICATION CAN BE SUBMITTED?

Safe Sport Recognition applications are scored for the Safe Sport Club Recognition in the following four areas:

1. Business/Organization Success
2. Swim Parent/Volunteer Development
3. Coach Development/Education
4. Athlete Development/Performance

In each of the four scored sections there are required components and then additional components. *The required components of each section must be met in order for a team to be eligible to submit its application*, plus additional components, to equal a total score of 75% or 49.50 points. Safe Sport Recognition can be renewed every 2 years.
