Committee Report

The committee has requested a budget of \$4000.00 for this year's virtual camp to cover speaking fees and at minimum bag tags for our camp applicants. We would like to have camp speakers from across the Nation to help lead our camp experience, but the committee has confirmed that despite our ability to get speakers, we will still run a camp.

Attached are two month's worth of DEI committee minutes.

We invite the SCS BOD to a call to discuss adding back our DEI vote to the SCS BOD with our DEI Committee.

We would like to also discuss the LSC Website and discuss with the webmaster to design a more user friendly and aesthetically pleasing website to highlight the different sub committees, besides just being informationally based.
