

2020 COVID RELIEF FUND

During this historic time, Southern California Swimming has put together a fund of up to \$650,000 in 2 Phases to help support our member clubs. To be eligible to receive this relief, clubs must respond to the questions below and provide all the necessary backup documentation. Member clubs that do not meet the requirements will not receive any relief funding. If awarded, each member club will receive a portion of the funding based on number of registered swimmers attached to your club. Unattached swimmers will not count towards your registered swimmer count. We will use the registration counts on April 7th, 2020 for the purpose of awarding the relief. Please note that checks written by SCS will be issued to the teams only. No checks will be issued to individuals. Applications are due to Kim O'Shea no later than April 24th, 2020. Please email applications to execdirscs@gmail.com
