All,

At our committee meeting, we spoke about needing ten teams to vote to leave SCS. We were able to get nine teams to agree. I have received one email from SET acknowledging this vote. I need nine other teams to respond to this email with a yes vote to move forward. All I need is to have you respond saying "Team name votes yes to request a special house of delegates meeting for the orange committee to leave SCS". We will be sending a letter to SCS once I get a response from nine teams. I ask that you respond as quickly as possible. We want to keep the momentum up. If you have any questions, feel free to contact me anytime.
