

Assistant Swim Coach

JOB DESCRIPTION:

The Polar Bears are seeking a full time assistant swim coach. The Polar Bears are entering their 10th season. During this time we have grown into a top 500 team and have produced a variety of age group, sectional, future and junior national swimmers. We are looking for a coach who is eager and passionate about the sport. Someone who pushes our athletes to the very best version of themselves everyday while emphasizing the importance of the team for the individual and collective betterment of all. As a full time assistant coach, you will be responsible for coaching 3 distinct practice groups.

Mission Statement:

The mission of the Porter Valley Polar Bears is to teach swimmers technical skills as well as responsibility, hard work and sportsmanship. We teach our athletes how to balance academics and athletics to try and prepare them for the challenges of being a collegiate student-athlete. We believe the qualities, which are developed by our pursuits in the pool, translate to positive work habits in school and beyond to adult life.
