

## 2021 OPEN WATER CALENDAR

(Updated as of August 18, 2021)

Here are the Open Water Meets and Events that I am currently aware of for planning purposes. Note that OW Meet Hosts will need to have a confirmed date and a special event permit for the venue in order to proceed with the sanction process.

***This schedule is subject to change due to meet venue, local, state, and federal public health requirements; availability of special event permits; and approvals for meet sanctioning.***
