To: Jeremy Anderson Chair Age Group Committee

From: Eastern Committee

Date: February 15, 2010

Subject: Junior Olympic Relays for Southern California Swimming

In our last meeting on February 9, 2010, the Eastern Committee addressed your concerns regarding the JO relays.

The Eastern Committee supports Junior Olympics as a performance level swim meet. All qualified relays should be representative of the Age of the eligible swimmers at the date of the competition.

This will provide a better sense of competition as well as continue to keep all participants motivated. Especially those who are seeded first from times of swimmers who have aged out of that age group.

Fielding relays is a great accomplishment of any team. Being on your team's relay should be a privilege, not merely participation.

Scott Gainey, Chair Eastern Committee
