11. New/Old business
 - a. What is the state of affairs with Southern California Swimming?
 - i. Registration is down 70%
 - ii. 50% of teams not back in water
 - iii. Board is preparing to go into a planning session to determine best options to serve and meet the needs of the LSC
 - iv. Preparing for the annual audit right now
 - v. Working on swim guide final

- vi. No penalties and fines for registrations during 2021, trying to support teams as things become more operational.
- 12. All 5 LSC's are working together to try to get a seat at the table with the California political governor's office trying to get as many pools open as possible. SCS has hired a lobbyist to try and assist us in educating both the local and state to not include swimming with all local sports because it is a different nature. Goal is to not close swimming with other sports.
