

Assistant Age Group Swimming Coach

Location: San Juan Capistrano, CA

Compensation: Hourly Rate: \$18-24/hr, depending on experience

Description: SOCA is seeking an energetic and enthusiastic individual to join our staff and work primarily with our 12 and under age groups. The ideal candidate will have 1-3 years of teaching/coaching experience, preferably in a competitive swimming environment. This is a year-round, part time position.

Responsibilities

- Assistant Age Group Swimming Coach
 - Effectively communicates the needs of the swim group to the Head Coach and admin.
 - Lead and supervise swim practices, providing technical instruction, feedback, and dryland.
 - Attend all practices, meets, team functions, and club related activities as set by administration.
 - Take daily attendance.
 - Attend weekly coaching staff meetings following practice.
 - Foster the spiritual, physical, mental growth and building of relationships with all member athletes.
 - Communicate regularly with athletes, parents, and coaching staff.
 - Assist with the organization and distribution of team related apparel and equipment.
 - Maintain a current understanding of USA Swimming & Southern California Swimming policies, rules, and regulations.
 - Assist with evaluation sessions for those interested in joining.
 - Assist with meet entries.

Qualifications

- Exhibit strong knowledge of the sport of swimming, including: practice structures, stroke instruction, drills and racing technique, national and international competition qualifications, and evaluation of athlete skill levels.
- Some understanding of TeamUnify, Hytek, knowledge of competition set-up requirements
- 1-3 years of teaching or coaching experience is recommended.
- Strong leadership, communication, and organizational skills
- Stay current with all certifications identified by USA Swimming

Special Qualities & Characteristics

- Passionate for the mission of SOCA
- Deep appreciation for the overall success and growth of SOCA and its member athletes.
- Strong initiative and desire to work in a highly collaborative environment
- Superior rapport with parents, athletes, and staff
