HY-TEK POWER POINTS - WHAT IT IS

Every swim listed in the USA Swimming times database includes a Hy-Tek Power Point value. This point system allows for comparison of the quality of performances across strokes, distances and events, as well as between age groups.

HOW IT WORKS

So how exactly does the Hy-Tek power point system work? The power point scale ranges from 1 to 1100 points. The higher the points, the stronger you are in that event. We use these points to rank you and your club in our IM Ready, IMX and Virtual Club Championships programs.

WHY USE IT AS A SWIMMER

Ever wonder how your long course times compare to your short course times? Wonder no more. Comparing your season swims is just one way Hy-Tek Power Points can be of use to you. Here are other ways to use it:

- So you're pretty decent in your events across the board, but you want to know which events are stronger for you on a national scale. Use Hy-Tek power points! For example, you can compare your score in the 100 back vs. the 200 back or across several freestyle distances such as the 100, 200, and 400.
- Look at the strength of one stroke vs. another stroke. For example, compare your freestyle to your breaststroke. Determine the quality of you short course vs. long course swims.
- This comparison is a great way to measure progress from the end of the short course season through the long course season.

IM READY (IMR)

The first step in the IMX Challenge is IM Ready (or IMR). To get "IM Ready," swimmers compete in a series of five events at shorter distances. Below, we've listed the line-up by age groups.

9 & Under; 10-year olds: 100 Free, 50 Back, 50 Breast, 50 Fly, 100 IM (SC) or 200 IM (LC)

11-year olds; 12-year olds: 200 Free, 50 Back, 50 Breast, 50 Fly, 100 IM (SC) or 200 IM (LC)

13, 14, 15, 16, 17, & 18-year olds: 200 Free, 100 Back, 100 Breast, 100 Fly, 200 IM

Once you've swum each event at least once at an official meet, you can log-in to your Deck Pass Account, and find out where you rank against all the other swimmers on your club team. You do not need to complete the IMReady program to participate in the IM Xtreme. It is simply a stepping stone.

IM XTREME (IMX)

Ready to move forward? The next step is IM Xtreme (IMX). The IMX ranking includes a series of five or six events at longer distances. Once you've completed the IMX program, you can find out where your IMX score ranks nationally, within your zone, within your LSC rank and on your club.

9 & Under; 10-year olds: 200 Free, 100 Back, 100 Breast, 100 Fly, 200 IM

11-year olds; 12-year olds: 400 Free (LC) or 500 Free (SC), 100 Back, 100 Breast, 100 Fly, 200 IM

13, 14, 15, 16, 17, & 18-year olds: 400 Free (LC) or 500 Free (SC), 200 Back, 200 Breast, 200 Fly, 200 IM, 400 IM
